---

\*Excludes each girl's laundry expenses and the cost of any personal items (toothbrush, etc.) she may need. Also, please be advised that these fees are tentative until June 1<sup>st</sup> and may be increased by as much as \$15 per week should the Farm's projected 201 operating expenses escalate more than presently anticipated.

\*\*These early and late summer sessions comprised of Getting Ready Week/Getting Set Week and Slow Packers' Week/Friends & Family Week, respectively, will have fewer campers due to their proximity to the school year in many localities. Nevertheless, what these sessions lack in the number of participants is more than made up for in the added enjoyment and camaraderie among those who choose to partake. Girls who would like to stay on or return from earlier in the summer for just one more week of camp may also halve the last two-week session and stay for either Slow Packers' (8/14-8/20) or Friends & Family (8/21-8/27). Female friends and relatives of past or present R.E.F. campers are welcome to join in for Friends & Family. The fee for either of these weeks is \$1200.

### Parent's Statement

Please find enclosed a check for the applicable deposit(s). The balance due will be promptly sent 30 days prior to the beginning date of the session(s) requested above. I hereby agree that this deposit will be forfeited if withdrawal from any session occurs after April 1<sup>st</sup>. Furthermore, I am aware of the camp's policy regarding tobacco, alcohol, illicit drugs, computers, and cell phones; and I agree to swiftly withdraw my daughter from the camp without any refund of her camp fee if she is found to possess or be using any such substance or item while at Road's End Farm. As I am also aware that the camp program at Road's End Farm is neither designed nor staffed to deal with troubled girls, I agree to remove my daughter from the camp's premises immediately and to forego any return of the unused portion of her camp fee should she be involved in aggressive or inappropriate behavior of any kind. I have also read the Camper's Statement below and I concur that girls wishing to attend the camp should sign it and conduct themselves accordingly. To ensure that Road's End Farm will be in compliance with the statutes of the State of New Hampshire, I shall make certain that a fully completed Road's End Farm health certificate signed by my daughter's physician will accompany her to the camp. Lastly, I agree to provide a completed and fully signed Road's End Farm enrollment questionnaire when I remit the balance of the camp fee.

I have read and agreed to the above Parent's Statement.

### Camper's Statement

I, the undersigned, am aware that the horsemanship camp at Road's End Farm functions very much like a big family living on a working horse farm where daily tasks and work on improvement projects are shared by all and where everyone is considerate of one another. Furthermore, I am mindful that Road's End Farm is not a summer resort for girls seeking to lounge around all the time and not contribute, nor is it a place for contentious individuals inclined toward inappropriate behavior. In keeping with my above knowledge of what Road's End Farm is and what it is not, I agree that my daily riding privileges at the camp and my participation in other activities are to be earned by me based upon my behavior and respect for others, my willingness to do a fair share of the camp's work, and my ability to keep my personal belongings neat. I also understand that alcohol, tobacco, illicit drugs, computers, and cell phones\* are forbidden at the Farm; moreover, I agree to leave the camp immediately without refund of my camp fee if I am found possessing or using any of them. Lastly, by signing this statement I am not relinquishing my right to have a wonderful, fun-filled camp stay at Road's End Farm, but rather I am acknowledging my responsibility to contribute to the well-being and enjoyment of my fellow campers so that wonderful, fun-filled camp stays can be had by all.

\*For safety and convenience, girls using public transportation are welcome to travel to and from the Farm with a cell phone.

I have read and agreed to the above Camper's Statement.
